FEIN Dust Extractor Accessories

Introducing the new FEIN family of Vacuums

DUSTEX 25, DUSTEX 40, DUSTEX 55

DUSTEX 25

Paper Bag (3Pk)	31322781017
Textile Long Life Filter	31322812000
Nylon Long Life Filter	31322813000
Cartridge Filter	31322765009
5m Hose	31322767015
Vacuum Handle	31322766002
Handle	31322770000
Adaptor	31322771009
Nozzle	31322772002
Brush Nozzle	31 322773006
Crevice Tool	31322774004
Vacuum Head	31322775008
Floor Vacuum Attachment	31322776001 31322777005 31322778003
Hepa Cartridge Filter	31322876500

DUSTEX 40

Paper Bag (3Pk)	31322810010
Textile Long Life Filter	31322812000
Nylon Long Life Filter	31322813000
Cartridge Filter	31322765009
5m Hose	31322767015
Extension Pipe (Metal)	31322815000
Adaptor	31322771009
Handle	31322770000
Nozzle	31322772002
Brush Nozzle	31322773006
Crevice Tool	31322774004
Vacuum Head	31322775008
Floor Head	31322814000
Floor Vacuum Attachment	31322778003
Hepa Cartridge Filter	31322876500

DUSTEX 55 (TURBO III)

Paper Bag (3Pk)	31322800000
Cartridge Filter	31322765009
5m Hose	31322767015
Handle	31322770000
Adaptor	31322771009
Nozzle	31322772002
Nylon Long Life Filter	31322812000
Textile Long Life Filter	31322812000
Hepa Cartridge Filter	31322876500

The all new Dust Extractors:

Durable, compact and quiet.

The new design has an optimized shape and 6 wheels instead of 4 for added stability. At an average 60 DB they are far quieter than most other popular vacuums.

New electronic suction control.

All three models come with a variable suction control. You can adjust the power via a simple and durable switch. The current setting is shown by a readable LED indicator.

Variable suction control saves energy and reduces the noise level to an absolute minimum. The DUSTEX 40 and DUSTEX 55 models have an integrated drain plug.

Powerful heavy-duty motor.

All FEIN dust extractors are designed for heavy-duty, continuous industrial use and employ dual fan turbo cooling to extend motor life. All models can be used wet or dry.

DUSTEX 25

is quiet, powerful and portable. Whether you use it as shop vac or as part of a dust-free sanding system, the DUSTEX 25 is perfect for commercial and domestic use.

DUSTEX 40

The original workhorse of the line. It features 1500 WATTS of power and a greater capacity.

DUSTEX 55

Has a hefty 55 L capacity and even more power for the big jobs. It comes with 36 mm hose and doubles as a clean efficient workshop dust collector.

FEIN cooling technology

A dual fan motor prevents electrical damage and extends the life of the motor. One fan is sealed and creates suction to draw in air and debris, filter it and exhaust it. The second fan draws cooling air from outside and across the motor. This technique, typically found only on more expensive vacuums, assures you that the motor will never be starved for cooling air or exposed to dirt grime from the tank, even if the hose and filter are blocked.

Technical Information

	DUSTEX 25	DUSTEX 40	DUSTEX 55
Vacuum	Yes	Yes	Yes
Auto Start	Yes	Yes	Yes
Variable Suction	Yes	Yes	Yes
Voltage	230 V	230 V	230 V
Watts	1300 W	1500 W	1500 W
Air Flow	L/M 3300	L/M 3600	L/M 3600
Weight	7 Kg	9 Kg	12 Kg
Power Cord	6 M	6 M	6 M
Hose Lengths	5 M	5 M	5 M
Capacity Dry	24 L	35 L	55 L
Noise at 1 M	62 DB	57.8 DB	57.8 DB
