

High Performing Vacuums

- ♦ Superior cleaning performance from heavy-duty 1200w motor and 4 stage filtration
- ♦ Ergonomic design for operators' comfort and safety
- ♦ Durable equipment for reliable, worry-free operation

3070 Backpack

"The National Asthma Council recommends a regular cleaning schedule to remove allergens and encourages the use of low irritant and non-allergenic products".

High performance backpack vacuums from the leader in floor care.

The new improved 3070 backpack from Tennant maximises cleaning performance and operator comfort.

Features include:

- ♦ Superior cleaning performance with 4 stage filtration
- ♦ Ergonomic design with adjustable harness for operators' safety and comfort
- ♦ Quiet operation at only 69.9dB(A)
- ♦ Double wall motor housing prevents heat transfer to operator
- ♦ Cable design facilitates quick 'no tool' replacement
- ♦ Exhaust air is directed away from operator
